

**We Don't *Reduce*
Cardboard Waste
We ELIMINATE IT**

Patented PleatLink[®]

Cardboard-Free Cost-Saving Filtration System

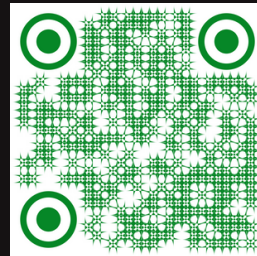

Seamlessly Integrates Into Any
Commercial HVAC System

**The Patented PleatLink[®]
delivers a 20:1 shipping volume
reduction over traditional box
filters, leading to fewer
shipments, lower fuel
consumption, and up to 67%
fewer CO₂ emissions. That
equals cost savings and
conscious sustainability -
passed directly to our
customers.**

**1000's of Trees
Saved Annually**
